The Estella Hillersohn Frankel Scholarship Fund was established in 1982 to promote and advance the study of violin. A grant or grants will be made annually to recipient(s) chosen by the panel of judges. The grant(s) will be made for an enrichment program or opportunity for a violinist or violinists. Opportunities such as (but not limited to) the following will be considered: workshops, master classes, music camps, chamber music, large ensemble, music theory, etc. The scholarship is for an enrichment opportunity and, for this reason, private lessons and instrument purchases or maintenance are not eligible for funding. The competition is open to both students of the Music School and outside students.

Eligibility & Competition Rules:

- The student does not have to be enrolled at the Music School;
- Student must: a) reside in or study the violin in Delaware; or b) reside within 15 miles of the Delaware border;
- Student must be 10 years old but not older than 17 years old on March 22, 2025;
- First prize winners (including those who have tied for first place) may not compete in the immediate year following their win;
- The student must perform two contrasting pieces by different composers. Total audition length will be 10 minutes;
- Three copies of the music must be provided for the judges;
- Concerti must be memorized; other works may be played with music;
- Students must arrange for their own accompanists. The Music School does not supply an accompanist for the Estella Hillersohn Frankel Violin Scholarship. However, if a Music School student is also auditioning for a Merit Scholarship (these auditions are on the same day as the Frankel Competition), the student may use the provided accompanist for the Frankel audition;
- Audition time cannot be guaranteed;

- Failure to meet deadlines will disqualify applicants.
